1. Introduction

BioGlytch Technologies (“we,” “us,” or “our”) is committed to protecting the privacy of individuals and businesses in Michigan. This Privacy Policy outlines how we collect, use, disclose, and safeguard personal information in accordance with applicable Michigan laws and industry standards.

2. Information We Collect

We may collect the following types of personal information:

- Full name, email address, phone number, and business name
- IP address, device identifiers, and browser type
- Network data and system configurations for assessment purposes
- Any other information voluntarily provided during consultations or assessments

We do **not** collect sensitive personal data (e.g., biometric, health, or financial data) unless explicitly required and consented to.

3. How We Use Your Information

We use personal information to:

- Conduct cybersecurity assessments
- Communicate with clients and respond to inquiries
- Improve our services and website functionality
- Comply with legal obligations and protect our business interests

4. Data Protection Measures

We implement technical and organizational safeguards to protect your data, including:

- Encryption of sensitive data
- Secure storage and access controls
- Regular system audits and vulnerability scans
- Data minimization practices (we only collect what’s necessary)

5. Sharing of Information

We do **not** sell or rent your personal information. We may share data with trusted service providers who assist in delivering our services, under strict confidentiality agreements.

6. Your Rights

Under Michigan law, you have the right to:

- Access the personal data we hold about you
- Request corrections or deletions
- Opt out of data collection or marketing communications
- File a complaint with the Michigan Attorney General if your data rights are violated

7. Cookies and Tracking

Our website may use cookies to enhance user experience. You can manage cookie preferences through your browser settings.

8. Third-Party Links

Our website may contain links to third-party sites. We are not responsible for their privacy practices.
